On July 18, 2008, the Great Wall Steel Casting (CHAENG) signed the first contract of slag pots, under the situation of financial crisis and shrinking market. On the December 12 of the same year, we again signed 13 pcs of slag pots with South Korea's POSCO. since 2008 we have signed more than 50 types of slag pots, which are exported to countries and areas around the world: the United States, Germany, Italy, India, Japan, Canada, South Africa, Belgium, Korea, Chile, Mexico, etc. We have accumulated rich experience

and slag pot manufacturing technology of the slag pots for the black metal, non-ferrous metal, the lead smelting, and so on.
