

2019

Sponsor: China Foundry Association

Date: March 13-16, 2019

Venue: SHANGHAI New International Expo Centre

Metal China

Invitation Letter

Dear friends,

CHAENG (Xinxiang Great Wall Steel Casting) sincerely invites you to attend the 17th China International Foundry Expo (Metal China 2019) held at Shanghai New International Expo Center on March 13-16, 2019.

CHAENG is a member of China Foundry Association and Henan Foundry Association. The company integrates R&D, production, processing and matching of casting steel parts. It mainly produces carbon steel castings, manganese steel castings and high alloy steel castings with a single weight of 1-150 tons, with an annual production capacity of over 50,000 tons.

On the expo CHAENG will display the cast steel products such as slag pots, rolling mill housing, girth gear, kiln tyre and grinding roller at the E6T55 booth. We invite you to visit the booth and negotiate cooperation! We are looking forward to your arrival!

Expo Name: 17th China International Foundry Expo (Metal China 2019)
